Come to our Annual Golf Tournament where, after a hearty breakfast, you can tee off on one of Ontario's most majestic greens!

Enjoy an exciting round of golf with your teammates and compete for an array of trophies. Later, savour a delicious gourmet lunch and take a chance (or two!) to win one of the many exciting prizes that are up for the raffle draw or silent auction.

For this year's Golf Tournament, we are pleased to support three Canadian programs that advance the tremendous potential of Canadian youth.

Licensed to Learn has been a long standing recipient of the generosity of our Golf sponsors and attendees. This critical program enables youth to catch up to their peers through a peer-to-peer tutoring program, guided and designed by veteran educators with over 25 years of experience. Since 2001, L2L has shepherded over 40,000 students to reach for the stars and achieve their potential.

Women in Tech is a Science, Technology, Engineering and Mathematics (STEM) literacy initiative to provide more women, aged 18-29 years old, with the skills they need to advance in this vibrant sector. This program provides its participants with 40 hours of programming language training, specifically in HTML5 and CSS3.

Get Job Ready is an initiative that teaches Canadian youth the skills they need to find work in the job market. All participants receive 4 days of intensive training consisting of resume building, networking, public speaking and digital and financial literacy.

Your support for our programs is vital: Bring your friends and form a foursome, become a sponsor, donate - or do all of the above to help harness the power of youth in Canada!

Together we are
People Helping People.
